Subject: Re: PCB Cleanup Completion at Former Pechiney Cast Plate Facility

Nathan:

We also appreciate the cooperation of EPA, you and Carmen, in getting the cleanup done properly and expeditiously.

We will work with the UP railroad and determine what cleanup is required and how it will be accomplished. We will keep you apprised of status.

A Safe and Happy Holiday to all,
Gerry

Mr. Pepper:

Please find attached a PDF copy of an EPA letter addressing the cleanup completion at the former Pechiney Cast Plate facility in Vernon, CA. A hard copy has also been sent by mail. We appreciate your working with EPA to cleanup PCB contamination the site. Please let me know if you have any questions regarding this letter.

Sincerely,
Nathan Dadap
